INSRING & ANCHORING TRUST IN SCIENCE

Funded by
the European Union

**POLICY
RECOMMENDATIONS**
FOR TRUST IN SCIENCE

RESEARCH FUNDING ORGANIZATIONS (RFOs)

Integrate civil society needs

- Increase dialogue with civil society
- Involve non-scientists in creating funding schemes
- Make research assessment inclusive

RESEARCH PERFORMING ORGANIZATIONS (RPOs)

Engage with the wider public

- Incorporate citizen science and multi-stakeholders
- Integrate human interactions to KPIs
- Diversify financial bases

HIGHER EDUCATION INSTITUTIONS (HEIs)

Intensify prevention activities

- Improve quality management
- Focus on accountability and responsiveness
- Tackle misconduct transparently

EUROPEAN POLICY MAKERS

Intensify multi-level collaboration

- Protect freedom of science
- Develop science communication guidelines
- Implement incentives for collaborations
